Welcome Message

Dear Esteemed Industry Partner,

On behalf of Organizing Committee of the forthcoming Echo Asia 2026, being organized by Asian Pacific Association of Echocardiography & Indian Academy of Echocardiography, from Oct 8th – 11th, 2025 at Hotel The Leela Ambience, Gurugram, India.

We have a great pleasure of inviting your esteemed organization to be an “Industry Partner”.

We request you to have your wholehearted support for this unique academic project, continuing medical education in echocardiography of international magnitude.

Your support will go a long way to have our alliance in long term basis and contributing to the cause of continuing medical education.

Warm personal regards,

Dr. Rakesh Gupta
Executive Organizing President

International Organizing Chairmen

Welcome Message Dr. Jae K. Oh International Organizing Chairmen

Dear Friends ,

Greetings,

On behalf of the Asian Pacific Association of Echocardiography (AAE), It is my great privilege and honor to welcome you all to Echo Asia 2026, being jointly organized by the Asian Pacific Association of Echocardiography (AAE) and the Indian Academy of Echocardiography (IAE).

Echocardiography has become an essential diagnostic and management tool for patients with various cardiovascular conditions, with its reliable capacity to assess cardiac structure, function, and hemodynamics. Asian-Pacific community has contributed significantly to the development of Echocardiography since its early stage. Initial description of mitral inflow velocity for diastolic function, introduction of color flow imaging, diastolic exercise echocardiography, strain imaging of the left atrium as well as left ventricle, echocardiographic features of constrictive pericarditis, descriptions of various cardiomyopathies, vector imaging , normal echocardiographic values of Asians, and assessment of coronary flow reserve are examples of contributions from the Asian-Pacific investigators. At the same time, there is a great need to propagate optimal use of Echocardiography by a widespread training and also to collaborate further to investigate conditions common or unique to the Asian-Pacific region.

I like to invite you and your colleagues to participate in annual meeting , Echo Asia, to develop a life-long friendship, career development, collaborative innovations, and the best of all, optimal care of our patients.

Looking forward to see you

Dr. Jae K. Oh, MD

Founding General Director, Heart Vascular Stroke Institute, Samsung MC, Korea

Samsung Professor, Cardiovascular Medicine, Mayo Clinic, USA

International Organizing Chairman

Echo Asia 2026

Welcome Message Dr. Satish K. Parashar International Organizing Chairman

Dear Esteemed Colleagues & Friends

It is with great pleasure and a deep sense of responsibility that I welcome you to this prestigious Echo Asia Conference 2026 organized jointly by Asia Pacific Association of Echocardiography & Indian Academy of Echocardiography to be held in Delhi from October 8th – 11th, 2026. As the International Organizing Chairman, I am honoured to be part of an event that brings together leading experts, researchers, clinicians, and healthcare professionals from around the world. Our aim will be to provide latest information on established and emerging concepts on various cardiovascular imaging modalities, and its role in clinical, preventive and interventional cardiology. As echocardiography and clinical cardiology are intertwined with each other, hence an equal significance will be given to clinical cardiology during scientific deliberations. In an era marked by rapid advancements and global challenges in healthcare, this conference serves as a vital platform for sharing knowledge, fostering collaboration, and advancing patient care. Our collective expertise, innovative research, and commitment to compassionate care have the power to transform lives and shape the future of medicine.

During the conference days, I encourage each of you to engage actively through discussions, workshops, and networking opportunities. We will make this conference a milestone in medical education, research, and global health collaboration. Let us embark on this journey with curiosity, integrity, and a shared vision for a healthier world.

It will be my privilege to welcome personally all the participants, especially the international faculty

Warm regards

Dr. Satish K. Parashar

Founder IAE & International Organizing Chairman

Echo Asia 2026

Welcome Message Dr. Navin C. Nanda International Organizing Chairman

Dear Colleagues,

On behalf of the International Society of Cardiovascular Ultrasound, I cordially invite you to attend and participate in the ECHO ASIA 2026 to be held October 8-10, 2026, in Delhi NCR, India. This Congress is co-sponsored by the International Society of Cardiovascular Ultrasound (ISCU). An excellent scientific program in cardiovascular ultrasound encompassing various aspects of interest to all practicing physicians, cardiologists, radiologists, surgeons, anesthesiologists, critical care providers, trainees and Fellows, ultrasound technologists and paramedical personnel has been planned under the most capable leadership of Drs. Hansa Gupta, Rakesh Gupta, H.K. Chopra, Sameer Shrivastava and Satish K. Parashar, who are all luminaries in this field. Dr. Satish Parashar is considered the “Father of Echocardiography in India”.

Over the past few decades, echocardiography has taken major strides and currently represents the most widely used and the most cost effective noninvasive technique in the assessment of patients with suspected or known heart disease. All current as well as newer aspects of cardiovascular ultrasound will be amply discussed in this Congress which will provide a forum to interact with each other and contribute to the exchange of scientific information among all attendees. We look forward to the pleasure of welcoming you in the capital city of India next year.

Dr. Navin C. Nanda

MD, DSc(Hon), DSc(Med)(Hon), FACC, FAHA, FASE, FISCU(D), Distinguished Professor of Medicine and Cardiovascular Disease, University of Alabama at Birmingham, Birmingham, Alabama, USA
President, International Society of Cardiovascular Ultrasound
International Organizing Chairman, ECHO ASIA 2026

Welcome Message Dr R. R. Kasliwal National Organizing Chairman

Dear Delegate,

Namaste!

It gives me immense pleasure to Invite you to an iconic meeting of minds: Echo Asia 2026.

This will be a unique Conference to participate, interact and network with the who's who of Echo Cardiography and Clinical Cardiology in our part of the World.

The Conference will be held in the Capital of India- Delhi which is a vibrant city with a great historical past and month of October is always pleasant here.

So, come and enjoy the science, hospitality and feeling of Vasudhaviva Kutumbakam.

Regards

Dr. Ravi R. Kasliwal

Chairmen - Division of Clinical & Preventive Cardiology

Medanta Heart Institute

Medanta-The Medicity,

National Organizing Chairman

Echo Asia 2026

Welcome Message Dr. H.K. Chopra National Organizing Chairman

Dear Colleagues and Friends

It is really a great pleasure and honoured indeed for me to welcome you all on the occasion of “Echo Asia 2026”, being jointly organized by Asian Pacific Association of Echocardiography & Indian Academy of Echocardiography from 8th- 11th October, 2026 at New Delhi, India.

The main theme of Echo Asia 2026 is “Enhancing Clinical Potential by Advanced AI Powered Echocardiography”, highlights the transformative role of imaging in shaping the future of cardiovascular care. The scientific program will feature renowned international and national faculty, state-of-the-art lectures, interactive workshops, live demonstrations, AI-powered imaging sessions, and case-based discussions. It promises to be a true feast of learning for cardiologists, echocardiographers, multimodality imaging experts, sonographers, intensivists, Interventional Cardiologists, Cardiac Surgeons, Paediatric Cardiologists, and trainees alike.

Echocardiography has evolved into a cornerstone of modern cardiology & Multispeciality, offering unparalleled insights into cardiac structure, function, and hemodynamics. The Asia region has emerged as a vibrant hub of innovation, clinical expertise, and collaborative research in this discipline. This conference is designed to reflect that spirit bridging cutting-edge Strategies science with real-world clinical expertise in the arena of diagnostic, prognostic, therapeutic, predictive precision medicines.

The emerging role of AI Powered Echocardiography will be a revolution in crystalizing Automated Image Acquisition, Automated Measurements, Disease Detection & Diagnosis, Workflow Optimization with faster reporting and reducing cardiology workload and Integration with wearables and echo devices with AI driven risk prediction and AI Guided Teleechocardiography.

Equally important, the conference will provide an exceptional platform for networking, academic exchange, and collaboration among colleagues from across Asia and the world. Together, we aim to advance the science of echocardiography, foster young talent, and inspire new ideas that will ultimately benefit our patients.

Beyond the academic experiences, we hope you will enjoy the warmth of our hospitality and the cultural richness of our host city Delhi.

On behalf of the organizing committee, I warmly invite you all to join us in making “Echo Asia 2026” a memorable academic and cultural experience under the dynamic leadership of Clinico Echo Legends, Icons and pioneers all under one roof.

Please mark your calendars, spread the word, and get ready to witness the convergence of knowledge, innovation, and camaraderie.

We look forward to welcoming you with open hearts and open minds.

Albert Einstein once said

“Learn from yesterday, live for today, hope for tomorrow.

The important thing is not to stop questioning as to what is new.”

Warm personal regards,

Dr. H.K. Chopra
National Organizing Chairman
Echo Asia 2026

Welcome Message Dr. Shantanu P Sengupta President, Indian Academy of Echocardiography

It is an honour and privilege to assume the Presidency of the Indian Academy of Echocardiography and also to thank all my Past Presidents and the leadership of this amazing organisation. This journey could not have been possible without the support of all my friends and well-wishers, a BIG THANK YOU to ALL!

As I take over the Society's leadership, I find it to be a strong, dynamic, and growing organization. It has the strength of large number of members. The pillars of this organisation are its commitment to education, early research, and service to IAE members and the public. In the year ahead, expect growth and activity in each of these areas.

Meeting members' educational needs is one of the highest priorities of this organisation. The educational “jewel in the crown” continues to be the IAE annual meeting and the great scientific program supported by an amazing national and international faculty. As this goes to press, we are expecting record-breaking attendance in ECHO INDIA 2025 in Kochi, thanks to the efforts of Dr R Manjuran and Dr James Thomas. 2026 will see the much awaited ECHO INDIA 2026 along with the World Congress of Echocardiography in New Delhi, India. Dr Rakesh Gupta, the man behind this meeting has already started all preparation for this academic extravaganza. Our main focus has been reorganization of the structure of the educational tracks to make it easier for attendees to find sessions appropriate to their level of expertise (beginner, intermediate, and advanced); modification of the way that the science of echocardiography is integrated into the program; expanding the concept of presenting echocardiography in the context of clinical disease management; and providing educational opportunities for new users of ultrasound, such as emergency room physicians.

The primary driver behind all of IAE's activities is to provide quality cardiovascular ultrasound and serve the members and public. In the year ahead, a lot of focus will be put on original research as research forms the backbone of scientific growth for any organisation. The scientific committee team of ECHOINDIA 2026 is excited to accept and accommodate original research and interesting cases. I am also happy to listen to each and every member who wish to do some original research in the field of echocardiography. Also there will be great focus on Innovation in Imaging. The advent of Structural Interventions have shown a deep requirement of echocardiographers in the field of Cardiology. We through this organisation are going to support dedicated learning tracks in this field.

In closing, IAE is very much at work serving you, its members, and the patients for whom we all provide care. In this electronic era, the Web site is an important link between you and the organisation. Consider making www.iaecho.in in your home page and feel free to contact us with any questions and comments that you might have.

Dr. Shantanu P Sengupta

President , 2025-26

Indian Academy of Echocardiography

Welcome Message Dr. Hansa Gupta President Elect/ Chair Scientific Committee

Welcome to Echo Asia 2026 in New Delhi , India

We are thrilled to assure you that this international conference will deliver a powerhouse of academic excellence. Expect cutting-edge insights global expertise and truly memorable learning experience. We look forward to welcoming you to an event that bridges continents and advances echocardiography together.

Best regards...

Dr Hansa Gupta

President Elect/ Chair Scientific Committee

Welcome Message Dr. Rakesh Gupta Executive Organizing President

Dear Colleagues and Esteemed Guests,

It is my pleasure to invite you to Echo Asia 2026 in New Delhi, the vibrant heart of India. Join us for a mesmerizing academic journey filled with rich learning and cultural experiences. We promise you an unforgettable blend of top-tier knowledge and the dynamic energy of Delhi. We look forward to welcoming delegates, industry partners, and our esteemed faculty from around the globe.

Best regards...

Dr Rakesh Gupta
Executive Organizing President

Welcome Message Dr. Sameer Shrivastava Chairman Reception Committee

Dear fellow echocardiography enthusiasts,

It's an honor to extend my warmest greetings to all delegates and faculty to this forthcoming exiting conference in 2026. As a past president of the Indian Academy of Echocardiography, I'm thrilled to see the continued growth and enthusiasm in our field.

This conference promises to be an exciting platform for sharing knowledge, showcasing innovative techniques, and networking with like-minded professionals. It is going to be an ordeal to bring together experts and enthusiasts alike to discuss the latest advancements in echocardiography, but, we shall make all the efforts to fulfill everyone's expectations.

I wish the conference all success and look forward to the opportunities it will bring for our community. May the deliberations and discussions lead to meaningful collaborations and advancements in cardiovascular care.

Best regards.

Dr. Sameer Shrivastava

Past President: Indian Academy of Echocardiography.

Welcome Message Dr. Simmi Manocha Honorary General Secretary IAE

Namaste and a heartfelt welcome to all our esteemed delegates, colleagues, and friends from across Asia and beyond,

It is with immense pride and joy that we welcome you to ECHO ASIA 2026, hosted in the vibrant heart of India—New Delhi. As the Secretary of the Indian Academy of Echocardiography, I am honoured to extend our warmest greetings on behalf of the organizing committee.

This year's conference marks a pivotal moment in our shared journey of advancing cardiovascular imaging. ECHO ASIA 2026 brings together the brightest minds, pioneering researchers, and passionate clinicians to explore the evolving frontiers of echocardiography.

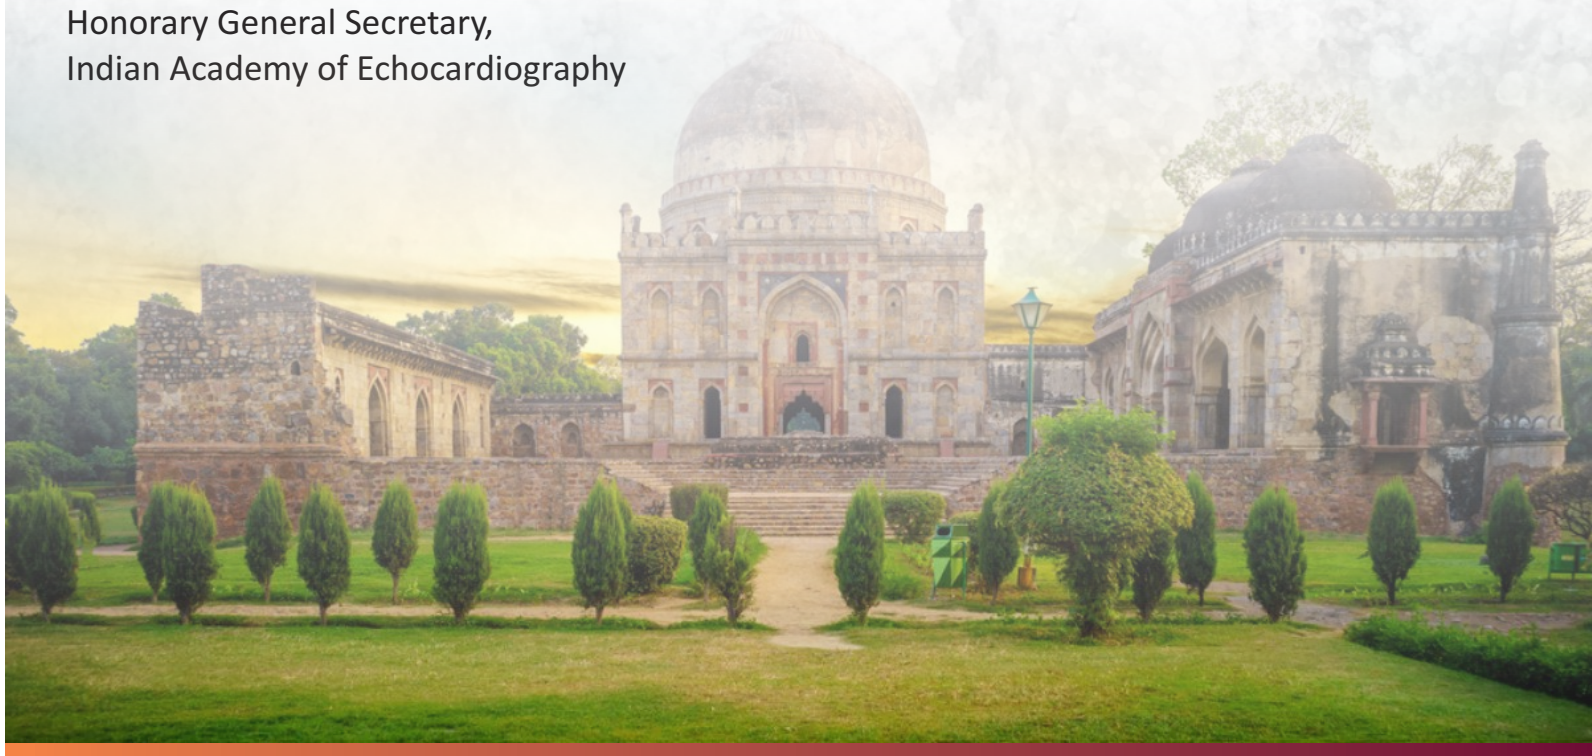

New Delhi, a city where ancient heritage meets cutting-edge progress, offers the perfect backdrop for this convergence of science, culture, and camaraderie. We hope you will not only engage in enriching academic exchanges but also experience the warmth of Indian hospitality, the richness of our traditions, and the energy of our capital city.

Let this gathering be a celebration of knowledge, a catalyst for new ideas, and a reaffirmation of our commitment to excellence in cardiovascular care.

Welcome to ECHO ASIA 2026. Welcome to India.

Warm regards,

Dr. Simmi Manocha
Honorary General Secretary,
Indian Academy of Echocardiography

Welcome Message Dr. Manish Bansal President, Academy of Echocardiography Delhi NCR

It is with immense pride and joy that I welcome you to Echo Asia 2026. This landmark conference is being organized in collaboration with the Asian Pacific Association of Echocardiography and the Indian Academy of Echocardiography, and will be hosted by the Academy of Echocardiography, Delhi and NCR.

As the President of the Academy of Echocardiography, Delhi and NCR, I extend my heartfelt invitation to each one of you. We promise to make every effort to ensure that Echo Asia 2026 is an unforgettable experience—with excellent scientific sessions, fruitful interactions, and the warm hospitality that Delhi is known for.

We eagerly look forward to welcoming you and making this conference a celebration of knowledge, innovation, and togetherness.

Sincerely yours

Dr. Manish Bansal
President Delhi-IAE

Welcome Message Dr. Arif Mustaqeem Honorary Secretary, Academy of Echocardiography, Delhi NCR

Welcome to Echo Asia 2026 in New Delhi, India “We are pleased to affirm that this international conference will embody the highest standards of academic excellence. Participants can anticipate state-of-the-art insights, perspectives from distinguished global experts, and a truly enriching educational experience. We look forward to welcoming you to a forum that fosters international collaboration and advances the field of echocardiography.”

Sponsorship Opportunities

CONFERENCE DELEGATE BAG – AS PER ACUTAL

INR 5,50,000

- ✦ Branding on inside of bag / gift
- ✦ 2 Corporate registration which includes lunch coupons on Friday , Saturday & Sunday and dinner coupons on Friday & Saturday

SESSION SPONSORSHIP

INR 5,00,000

- ✦ Scientific session preparation by scientific committee as well as Pharma Industry
- ✦ Branding and two speakers from pharma industry with the topic mutually agreed.
- ✦ Branding outside the hall gate.
- ✦ Three free industry registration including lunch and dinner

AUDIO VISUAL SPONSOR

Rs. 15,00,000

- ✦ Sponsoring companies slides in between session and during discussion, Lunch and Tea breaks
- ✦ Branding
- ✦ Scientific program book/announcements
- ✦ 1 Trade booth of 6 Sq Mt. in Premium area

Sponsorship Opportunities

PLATINUM SPONSORSHIP

INR 1,00,00,000

- ✦ 20 Corporate Non-Residential Registrations – includes lunch coupons for Friday, Saturday & Sunday, and dinner coupons on all conference days.
- ✦ Company name & logo featured on all conference brochures, scientific program, on-screen display in three halls, and on the conference website as Platinum Sponsor.
- ✦ Exhibition space of 12 sq. m in the Super Premium Area.
- ✦ Prime logo placement on main stage backdrop
- ✦ Logo on delegate badge/lanyard
- ✦ One standee at the registration area
- ✦ Branding during the inauguration ceremony
- ✦ Full-page advertisement in the final scientific Booklet/Souvenir

GOLD SPONSORSHIP

INR 75,00,000

- ✦ 12 Corporate Non-Residential Registrations – includes lunch coupons for Friday, Saturday & Sunday.
- ✦ Company name & logo featured on all conference brochures and on the conference website as Gold Sponsor.
- ✦ Exhibition space of 9 sq. m in the Super Premium Area.
- ✦ Half-page advertisement in scientific Booklet/Souvenir
- ✦ Shared digital screen branding

SILVER SPONSORSHIP

INR 50,00,000

- ✦ 8 Corporate Non-Residential Registrations – includes lunch coupons for Friday & Saturday.
- ✦ Company name & logo featured on all conference brochures and on the conference website as Silver Sponsor.
- ✦ Exhibition space of 6 sq. m in the Super Premium Area.
- ✦ Quarter-page advertisement in Scientific Booklet/Souvenir
- ✦ Website acknowledgement banner

SPONSORSHIP FOR DINNER

INR 15,00,000

- ✦ 5 Corporate Passes – includes lunch coupons for Friday, Saturday & Sunday, and dinner coupons for Friday & Saturday night.
- ✦ Company name & logo featured on the invitation card.
- ✦ Acknowledgement by the Committee on stage during the Banquet.
- ✦ 1 Trade Booth of 6 sq. m in the Super Premium Area.

Sponsorship Opportunities

TRADE BOOTHS

	Upto 31st March 2026	30th June 2026	After 30th June 2026
Regular Stall (Size 3x2 Sq. Mtr)	Rs. 5,00,000	Rs. 6,50,000	Rs. 8,00,000
Medium Stall (Size 3x3 Sq. Mtr)	Rs. 6,50,000	Rs. 8,50,000	Rs. 11,00,000
Large Stall (Size 4x3 Sq. Mtr)	Rs. 8,50,000	Rs. 12,00,000	Rs. 14,00,000

BANK ACCOUNT DETAILS

Name: Echo Asia 2026

Bank Name: Indian Bank

Bank Address: C-1/19, Ashok Vihar, Phase-2, Delhi – 110052

Bank A/c No: 80897698989

IFSC Code: IDIB000A124

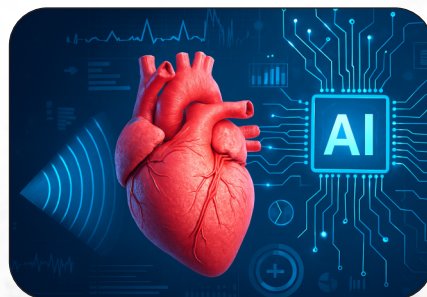

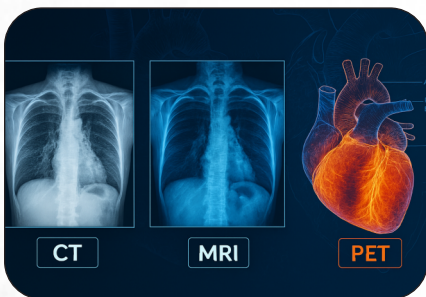

IMPORTANT INSTRUCTIONS

- ▲ Each stall will be given 1 table, 2 chairs, 1 dust bin, a carpet and 1 plug point in the Stall and Fascia Name will be printed by us. The exhibitor will have to abide by fire and safety norms of the Hotel.
- ▲ Each stall will be given 1 KW power (Single Phase). Additional power or Three Phase connection can be bought at additional cost.
- ▲ Organizers can provide a letter confirming Exhibitors participation for Octroi purpose on request.
- ▲ No nailing will be allowed on Octonorm stalls. For branding purpose only double sided tapes to be used.
- ▲ Stall Owners can display banners and hoarding within designated stall areas.
- ▲ No banners or display boards are allowed outside the designated stalls.
- ▲ Any damage caused to the octonorm sheets or stall material will have to be compensated to the contractor.
- ▲ Sub-letting of stall will be considered as breach of contract and in such a case the stall owner will be asked to vacate the stall with immediate effect and a fine of Rupees Five Lakh will be charged.
- ▲ Sharing of stall is strictly not allowed.
- ▲ Goods and Material displayed in stalls should be as per Government Rules & Regulations.
- ▲ Overnight retention of goods in respective stalls will be at the sole risk of the stall owners. Organizers will take no responsibility for loss or damages of goods, banners or any other promotional material.
- ▲ Sticking of any promotional material in Hotel area is strictly not allowed.
- ▲ Stall owners will have to obtain a gate pass from Hotel management while getting material from out.
- ▲ Organizers reserve all rights to alter the stall lay out or allocation of stalls.

TENTATIVE SCIENTIFIC PROGRAM

TENTATIVE SCIENTIFIC PROGRAM

- ▲ Artificial Intelligence
- ▲ 3D Echo: Transthoracic and Transoesophageal Echo
- ▲ Parametric Imaging
- ▲ Structural Heart Disease: Echo-Guided evaluation and intervention
- ▲ Cardio-Obstetrics
- ▲ Cardio-Oncology
- ▲ Haemo-dynamics and Heart Failure
- ▲ Preventive Echocardiology in HT, DM, Obesity, Sleep Apnoea Syndrome
- ▲ Critical Care Echocardiography
- ▲ Echocardiography in Pulmonology
- ▲ Echocardiography in anaesthesiology
- ▲ Echo in Congenital Heart Disease
- ▲ Agitated contrast / Myocardial contrast Echo
- ▲ Multi-modality Imaging: Cardiac CT, MRI, PET Scan
- ▲ Duplex Scanning: Carotid artery and peripheral vessels
- ▲ Cardio obesity
- ▲ And many more
